2017 Loon Season Report

Photo by John Rockwood

Join the Loon Preservation Committee in celebrating another successful year of loon monitoring and protection. Wildlife photographer John Rockwood will share photos and video of local Loon families from two southern NH lakes, from arrival through August. LPC Senior Biologist/Executive Director, Harry Vogel, will present trends in New Hampshire's loon population and preliminary statistics on how loons fared in NH this year.

THURSDAY, AUGUST 24 @ 7:30 P.M.
